## CHURCH PLANTERS TO NEW ENGLAND

May & June 2015

Dear Praying Friends,

Greetings in the name of our Lord and Savior Jesus Christ. The Scriptures say in Psalm 34:1, "I will bless the LORD at all times: his praise *shall* continually *be* in my mouth." We have much to be thankful for!

We are encouraged by what our Lord is doing in Yarmouth, and throughout the state of Maine. As you may know, we held our Grand Opening service for Royal River Baptist Church on May 3rd. Through your prayers, financial gifts, and the diligence of a few churches in Maine who helped us distribute John & Romans packets, we saw 42 people attend our service. We believe God was glorified in each aspect of the service; the Bible was preached, and one person raised their hand for need of salvation. The following week we had 28 people in attendance, with 2 first time visitors. One person raised their hand that they weren't sure they were saved. We were greatly encouraged that the visitors who came the second week, were invited by people who came the previous week. We are looking for the Lord to bring forth fruit in the lives of those who have come to hear the word of God.

In just two weeks of meeting at the school we have met with opposition to us meeting there. It looks like our stay there may be shorter than we had anticipated. We are not alarmed. The Lord has been directing us all along; and, we are confident he will continue to do so. If we have to move out before the year we had originally been promised, we will have to find a more expensive space to rent, will probably need some construction provided for the renovation of an office space, and will need some church furniture; chairs being the most pressing need. If your church has chairs you are no longer using, or knows of another ministry that could help us with chairs, your assistance would be greatly appreciated.

On another note, our family is well. Thank you for your prayers as we came through one of the harshest winters Maine has experienced in some time. The snow is finally gone, and we have been enjoying the sunshine and the flowers.

There is still much work to be done. Please pray that God will give us the strength, wisdom, boldness, compassion, and power to accomplish the work he has called us here to do. We appreciate your support, and covet your prayers!

Sincerely,

Brooks Suttle
